Dear Staff, Pupils and Governors,

I have read the report of your recent SIAMS inspection and I am writing to congratulate you on such an encouraging outcome. I know how hard you have worked to demonstrate your identity as a Church School, and to develop as a truly Christian community of learning and loving.

Thank you for taking your Christian character seriously and for all the creative and compassionate ways you express that.

I wish you well as you continue your work. I pray that all who are part of your community will know they are loved and are able to flourish as God intended.

With all good wishes.

Yours sincerely,
