

## FOCS Aims and Objectives

Our aims are to:

- Enjoy social and fun activities
- Bring members of the school community closer together and build positive relationships
- Contribute money for items and activities that enhance the children's school experience
- Support projects to improve our school

We will do this by:

- Arranging events and activities for the enjoyment of children, their families, and the wider community
- Working with school to plan spending projects
- Offering time, energy, skills or resources to support school improvement projects
- Creating a friendly and welcoming committee environment
- Encouraging participation
- Publicising our achievements and plans for the future
