Helping to achieve best practice in Safeguarding Children within Derbyshire; ensuring that every Derbyshire learner attends a 'Good' or 'Outstanding Ofsted rated school and for pupils to be the best they can be, safe, healthy, learning & working

This audit has been distributed to all schools including Pre-schools, Academies, Independent, Free, Special, Alternative Provision & Colleges within Derbyshire. This is a self-assessment tool & for 2018/19 has been reformatted & reviewed with more of a focus on action planning, progress made & impact for demonstrating safeguarding activity within your school or setting.

This audit is carried out under Section 175 of the Education Act 2002, along with DfE Guidance on Safeguarding Children, Safer Recruitment and Keeping Children Safe in Education. The S175 section requires School Governing bodies to carry out an annual review of their School's Safeguarding practice and to provide information to their Local Authority regarding how the duties set out in the guidance have been discharged.

Under the current OFSTED Inspection Framework overall effectiveness of the school in 'Safeguarding: Personal Development, Behaviour & Welfare' are judged along with the 'Effectiveness of Leadership & Management', and Governance. These areas are a priority & key judgment for inspectors in determining overall outcomes.

This audit enables you to:

- Assess your School's Safeguarding practice, identify any gaps, & develop an Action Plan to address any outstanding issues & future learning;
- Ensure that key people within the school (including the Governing Body/trustees) are aware & how the school is working to keep children safe as defined by current DfE Guidance
- How the school can demonstrate effective safeguarding in all that they undertake;
- Report to the Governing Body/trustees & the Local Authority as required;
- Assemble your evidence of 'Impact of Practice' for any Ofsted inspection.

This audit has a model template Action Plan which assists with identifying gaps, targets to remedy and when by. Use this as a working tool and review on a regular basis. Present this alongside your audit to demonstrate progress and impact.

Using the Audit

If you:

- Have not undertaken & completed a Safeguarding Audit within the last 3 months
- or are due to review your Safeguarding Audit, having had one in place for the previous academic year

We recommend:

- You ideally complete this audit at the end of July; this will reflect your current school safeguarding scoring & help you have an action plan identifying key targets for the forthcoming academic year;
- It is completed or reviewed at any time during the course of an academic year by a Designated Safeguarding Lead appointed to complete this;
- That it is an activity completed with the appointed Safeguarding Governor;
- That it is presented to the Governing body/trustees as a standalone item & the activity is discussed & recorded in the minutes;
- A copy is placed with the schools safeguarding portfolio of evidence & is used in any inspection.

Terminology:

- All staff - includes volunteers, governors, & all those in the school/college who have regular contact with children
- Non-teaching staff - lunch time supervisors, care takers, grounds support & any other non-teaching role where a pupil could potentially make a disclosure to
- The school - the whole school used in the context of safeguarding as everyone's responsibility

---	--	---	--	---	--	---	--

If you have identified a score of 4, 3, 2. There needs to be an Action Plan with targets and priorities to work on. The action plan needs to be reviewed with details of how the school will achieve the targets, within what timescale, and who has the responsibility to ensure completion.

If you have identified a score of 1. You should be asking yourselves the following questions:

- How does your school sustain this score?
- How does the school continue to enhance the breadth and depth of learning and the whole school approach to Safeguarding?

It makes sense to have an action(s) of how to achieve and sustain your score.
